When a commentator suggested that publicly supporting SJW views might give them legitimacy, Vox said eÄÄÄÄÄ-- legitimacy, James D. Miller is a Professor of Economics at Smith College, the host of the Future Strategist podcast, and the author of Singularity Rising, Employees of Google listen to a town hall meeting led by Senator John McCain at Google in 2007. The alt-righteÄÄÄÄs favorite insult is eÄÄÄÄÄCuckservative,eÄÄÄÄÄ title of another Vox Day book.A Cuckservative is a conservative who backs policies that will in the long run destroy conservatism such as, supposedly, supporting immigration of people whom will eventually become citizens who vote Democratic.
